BACKSTAGE TRAINER PASS

Must be purchased by a registered athlete via the website or during the athlete check in on Friday night. This will allow your trainer backstage access to assist you with your final preparations for competition. It is not intended for the trainer to stay backstage during the Prejudging or Night Show, but rather check in and assist their athletes as needed. The Backstage Trainer Pass also includes the following seating: Prejudging-General Admission seating as well as the Balcony Box, Night Show-Balcony Box only. Night Show VIP and General Admission seating must be purchased separately.

To maintain an environment free of preferential treatment and politics, every trainer is required to have a pass for backstage access. There are no exceptions.

Failure to adhere to these and the following guidelines will result in disqualification and expulsion.

• **Pass is for coaches/trainers only.**

**Family and friends are not permitted & proof of certification is required at Athlete Check-In.*

**Must supply proof of certification when picking up wristbands. No refunds.*

• **No professional tanning, photography or videography will be permitted under any circumstances.**

• **Limit 1 pass per competitor. Only one pass required for trainers with multiple athletes.**
